

Automotive Relay

Part No.
NRA20

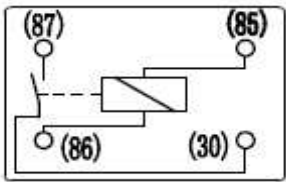

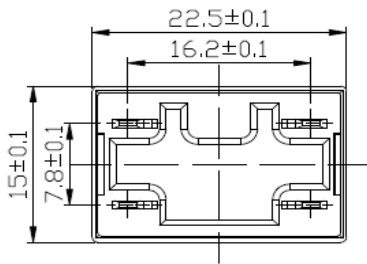

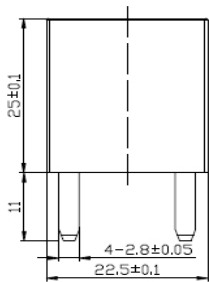

- For BUICK
- Stable function in high or low temp.
- 30A starting load capacity
- 4 or 5 legs.

Specifications

Contact form	1A/1C
Contact material	AgSnO2
Make/Break current	30A
Coil voltage	12V, 24V
Coil power	1.6W
Electrical life	100,000 times
Terminal	Plug-in
Dimensions	26x15x22
